

A large herd of horses of various colors (brown, black, white, and grey) running across a field. The horses are captured in motion, with some in the foreground and many more in the background, creating a sense of a massive herd. The background is a bright, slightly hazy sky.

Kazakhstan CF – the path to the hybrid model

Non-commercial JSC «National Agrarian
Science and Educational Centre» Nasec.kz
& agroconsultants

Today it is more than 80 Internet resources with more than 90 thousand professional subscribers.
